“Practice of architecture” means rendering or offering to render the following services in connection with the design, construction, enlargement, or alteration of a building or group of buildings, and the space within and surrounding such buildings:

- (i) planning;
- (ii) facility programming;
- (iii) preliminary studies;

- (v) administration of construction contracts.

Additional information pertaining to architectural licensing or applying for an architects license in the State of Utah may be obtained by visiting the Utah Division of Occupational and Professional Licensing web site: [www.dopl.utah.gov](http://www.dopl.utah.gov) or by calling (801)530-6628.

**Firms not currently licensed in Utah may attend and register for the Dixie State College Master Planning project at the Mandatory Pre-Submittal Meeting that will be held at 1:00 pm on Friday May 5, 2006 at the Dixie State College Administration Building, 225 South 700 East, St. George, UT. However, all prime or lead firms must be licensed in the State of Utah by the date of the interviews on Wednesday, May 24, 2006.**

**Firms not licensed in the State of Utah may “team” with a firm that is licensed in Utah. Note however, that DFCM will only contract with the firm licensed in Utah as the prime/lead firm. Unlicensed firms may act as a sub-consultant or team member to the licensed prime/lead firm.**
